

# SÄGEWERKSZUBEHÖR ACCESSORIES FOR SAWMILLS

CARL  
**RÖNTGEN**  
Präzisions-Sägeblätter

seit 1848

Art.Nr. Art.No	Artikel Article	Mindestmenge Min. quantity
-------------------	--------------------	-------------------------------

2001	Molykote Molykote 1,0 kg	1
------	--------------------------------	---

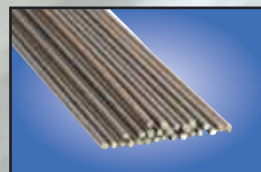

Art.Nr. Art.No	Artikel Article	Mindestmenge Min. quantity
-------------------	--------------------	-------------------------------

2007	Schutzstreifen für Sägezähne Protection Strips for Saw Tooth	50 Meter
------	-----------------------------------------------------------------------	----------

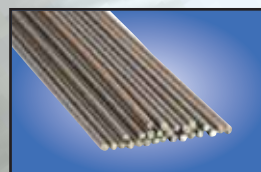

2002	Molykote Stift Molykote stic	3
------	---------------------------------	---

2101	Stellite/Stellite alloy no. 12; 3,2 mm L= 0,40/1,0/2,0 m	5 kg
------	----------------------------------------------------------------	------

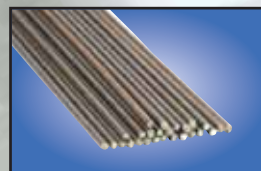

2003	Silberlot Silver Solder 22 gr., 18 x 0,1 mm	1 Dose/Box
------	---------------------------------------------------	------------

2102	Stellite/Stellite alloy no. 12; 5,0 mm L= 0,40/1,0/2,0 m	5 kg
------	----------------------------------------------------------------	------

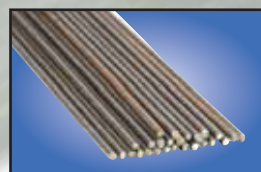

2004	Schweißdraht Welding Wire 0,8 mm	15 kg
------	----------------------------------------	-------

2103	Stellite/Stellite alloy no. 12; 6,4 mm L= 0,40/1,0/2,0 m	5 kg
------	----------------------------------------------------------------	------

2005	Egalisierstein Equalizing stone 80x40x20 mm	2
------	---------------------------------------------------	---

2104	Stellite/Stellite alloy no. 12; 3,2 mm nachverdichtet, anodic coated L= 0,40/1,0	5 kg
------	-------------------------------------------------------------------------------------------	------

2006	Entharzungsmittel Saw Cleaning Oil 10 l	1
------	-----------------------------------------------	---

2201	Schärfscheiben für Naß- und Trockenschliff Grinding wheel for wet and dry grinding	3
------	---------------------------------------------------------------------------------------------	---
